

THIS IS A FACSIMILE OF THE PETITION SIGNED BY NATIONAL PRO-LIFE ALLIANCE MEMBERS IN  
OPPOSITION TO THE PROPOSED RULE CHANGE.

# *Citizen's Petition on Proposed Internal Revenue Service Rule IRS Regulation IR-2013-92*

**Whereas:** The first amendment of the United States Constitution guarantees our right to freedom of speech to speak out against Abortion-on-Demand; and

**Whereas:** Regulation IR-2013-92 would strip citizens' right from organizing communications within weeks of an election and prohibit identifying a candidate or political party who supports Abortion-on-Demand; and

**Whereas:** This regulation would be enforced by the IRS, an agency recently exposed to have targeted political opponents during the last Presidential Election; and

**Whereas:** Politicians are most receptive to the will of the people just prior to an election; and

**Therefore:** I urge the Federal Government to drop Regulation IR-2013-92 and its unconstitutional restriction on citizen organizations, and to cease using tax laws to suppress political speech.
