INDEPENDENT AUDITORS' REPORT

The Board of Directors
The Center for Competitive Politics
Alexandria, Virginia

We have audited the accompanying financial statements of The Center for Competitive Politics (the Center), which comprise the statement of financial position as of December 31, 2014, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Center for Competitive Politics as of December 31, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited The Center for Competitive Politics' 2013 financial statements, and our report dated September 25, 2014, expressed an unmodified opinion on those financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2013, is consistent, in all material respects, with the audited financial statements from which it has been derived.

THE CENTER FOR COMPETITIVE POLITICS

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2014

(with comparative information for the year ended December 31, 2013)

1. SIGNIFICANT ACCOUNTING POLICIES, ORGANIZATION AND PURPOSE

Organization and Purpose

The Center for Competitive Politics (the Center) is an independent, not-for-profit organization incorporated in Virginia in November 2005 that promotes and defends the First Amendment to the US Constitution's rights to free political speech, assembly and petition through litigation, communication, research and education. The Center's major program activities are as follows:

1. Litigation - The litigation program of the Center for Competitive Politics pursues strategic litigation and files amicus briefs to defend the First Amendment rights to free political speech, assembly and petition.
2. Research and External Relations - The Center for Competitive Politics publishes research on the effects of laws and regulations on the First Amendment rights to free political speech, assembly and petition. The Center also tracks and analyzes proposed legislation and regulations at the federal and state levels that could affect these First Amendment rights.
3. Communication - The Center for Competitive Politics educates its supporters and the public at large of the benefits of the First Amendment rights to free political speech, assembly and petition and the importance of these rights to competitive elections to ensure integrity at all levels of the political process. It communicates this information through published articles in newspapers, websites and magazines, briefings of and interviews with journalists, appearances on television and radio, newsletters and an extensive website and blog.

Significant Accounting Policies

Income Taxes

The Center is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code, and has been granted public charity status. The Center conducts no taxable activities. Accordingly, no provision for income taxes has been provided in the financial statements.

The Center's Federal Exempt Organization Business Income Tax returns (Form 990) for the years ended 2012, 2013, and 2014 are subject to examination by the Internal Revenue Service, generally for three years after they are filed.

Basis of Accounting

The Center prepares its financial statements on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. Revenues are recognized in the period in which they are earned; expenses are recognized in the period in which they are incurred.

Year Ended December 31, 2014

(with comparative information for the year ended December 31, 2013)

1. SIGNIFICANT ACCOUNTING POLICIES, ORGANIZATION AND PURPOSE (Continued)

Significant Accounting Policies (Continued)

Cash and Cash Equivalents

Cash consists of checking accounts. The Center considers as cash equivalents highly liquid investments, which can be converted into known amounts of cash and have a maturity period of 90 days or less at the time of purchase. There were no cash equivalents as of December 31, 2014 and 2013.

Accounts Receivable

Accounts receivable are stated as unpaid balance, less allowance for doubtful accounts. The Center provides for losses on accounts receivable using the allowance method. Management has determined that all significant receivables are collectible and, therefore, an allowance for doubtful accounts has not been established.

Property and Depreciation

All acquisitions of property and equipment in excess of \$1,000 and all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Property and equipment are carried at cost or, if donated, at the appropriate fair value at the date of donation. Depreciation is computed using the straight-line method.

Classes of Assets

To ensure the observance of limitations and restrictions placed on the use of resources available to the Center, the Center accounts for its resources in classes established according to their nature and purpose. As of December 31, 2014 and 2013, the net assets of the Center included both unrestricted and temporarily restricted net assets.

Unrestricted Net Assets include net assets which are available for general operations, as well as funds set aside by the Center's Board of Directors.

Temporarily Restricted Net Assets include net assets which are subject to donor-imposed restrictions for support of a particular operating activity.

Year Ended December 31, 2014

(with comparative information for the year ended December 31, 2013)

1. SIGNIFICANT ACCOUNTING POLICIES, ORGANIZATION AND PURPOSE (Continued)

Significant Accounting Policies (Continued)

Recognition of Contributions

The Center reports contributions with donor-imposed restrictions as restricted support; however, donor-restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support. When the donor restriction ends or purpose is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Conditional contributions are recognized as refundable advances until they become unconditional, at which time they are recognized as support.

Advertising

The Center uses advertising to promote its programs among the public it serves. The costs of advertising are expensed as incurred. For the year ended December 31, 2014 and 2013, the Center's advertising expenses were \$625 and \$50,765, respectively.

Allocation of Functional Expenses

Expenses are charged directly to functional classifications of program, general and administrative, or fundraising based on specific identification. Indirect expenses have been allocated to functional classifications based on level of effort.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues during the reporting period. Actual results could differ from those estimates.

Reclassification

Certain 2013 financial statement amounts have been reclassified to conform to the 2014 presentation.
